

KOHLER. Experiential Learning Center

Innovative team and leadership development solutions.

SNAP! DECISIONS™

This engaging, action-learning program is designed to bring out important lessons of business success with organizational teams.

How Does It Work?

Strategic thinking, performing in the midst of chaos, and balancing risk and reward all play out in this engaging simulation. It requires participants to maneuver blindfolded through a maze picking up chips that represent money to the company. This program includes analyzing and defining a problem, setting priorities and goals, improving communication and trust, ensuring accountability and meeting a deadline. The debriefing is always rich as it brings these issues back to the office.

How Do Participants Benefit?

- Build strategic planning skills through an interactive experience
- Promotes effective communication
- Ties behaviors and learning to your organization
