Innovative team and leadership development solutions.

TEAM CUISINE[®]

Experience a creative culinary challenge offering a fresh team approach to learning while having fun.

How Does It Work?

Team Cuisine is professionally facilitated in partnership with renowned chefs from The American Club[®]. The Team Cuisine program uses a culinary setting to guide participants in completing recipes and teaching teamwork. The group is broken into teams; each team makes a different recipe. They gather what they need from the ingredients and equipment provided. The teams compete to create the best overall finished product. Judging is based on taste, overall presentation and teamwork displayed. The group may then enjoy lunch or dinner made by The American Club chefs, with a new appreciation for all that goes into creating each dish presented!
